..Introductory..

22 MAY 22 P. 52 AM '32
THE Fourteenth Volume of Caron's New Albany and Jeffersonville City Directory for the years 1901 and 1902 is herewith presented to the public.

The usual care and diligence in canvassing and compiling former volumes has been exercised in every particular in the present issue, and we believe a perusal of its pages will convince anyone of its accuracy.

New Albany is steadily improving and adding continually to her manufacturing industries. The Ohio Falls Iron Works has recently added \$20,000 worth of improvements, thereby doubling their capacity. The new glass company just incorporated will start up September fifteenth and will employ many hands. St. Edwards Hospital which is being erected at East Eighth and Spring, will cost when completed \$70,000. The Elks Home at Pearl and Elm will cost \$20,000 and will be an ornament to that portion of the city. The city has had Main street from Pearl to West First, and Pearl street from Spring to Oak laid with asphalt. Many other improvements are being made which indicate marked prosperity to the city.

Jeffersonville has kept pace with the times and has made many substantial improvements. A new engine house at Spring and Court avenue has recently been erected and equipped at a cost of \$8,000, while directly in the rear on the same lot will be built the police court house and city jail at a cost of \$4,000. The Government has added to the Jeffersonville depot a large warehouse at a cost of \$5,000. A large planing mill, a trunk, a swing and a harness factory are recent additions to the manufacturing plants of Jeffersonville.

The U. S. Census of 1900 gave New Albany and Silver Grove 21,226 inhabitants. The Directory for 1901 contains 11,540 names, which multiplied by 2, a very conservative multiplier, will give New Albany and Silver Grove 23,080 inhabitants.

The U. S. Census of 1900 gave Jeffersonville, Clarksville, Claysburg and Port Fulton 14,361 inhabitants, the Directory for 1901 contains 7,518 names, which multiplied by 2 will give Jeffersonville and the above mentioned towns 15,036 inhabitants.

A large number of people whose names appear in the City Directory, reside just outside of the city limits, but are practically residents of the city, yet for Census purposes were excluded from the city in the 1900 Census, this will account in a measure for the large increase in population given by the the publishers of the Directory.

THE NEW ALBANY TRIBUNE is located in the largest city in the Third Congressional District and is the only Republican Daily in the nine counties that compose the district. For this reason it has a wide circulation throughout these counties as it is the organ of the Republicans of the district. The WEEKLY TRIBUNE goes into homes in every corner of this and surrounding counties, and in many cases it is the only paper that reaches the substantial farmer of this section. The DAILY TRIBUNE has a circulation larger than any of its competitors. The foregoing are facts. An advertisement placed in the TRIBUNE always brings results as a trial will prove to your satisfaction.
